

2018 TOCA MARKETING COMMUNICATIONS INTERNSHIP HOST APPLICATION

The TOCA Marketing Internship program is sponsored by Den/ Sandy Gardner and Dave Hanson in a five-year commitment through the TOCA Foundation.

TOCA will coordinate the internship program and selection. TOCA member companies that are involved in public relations activities will host the intern.

The student is generally responsible for travel to and from the host location and for living expenses during the internship, so there is minimal cost to the host company. The goal is to have the intern work at the office of the host company.
